PLEASE RESPECT OUR WORKERS

Please help keep our workers safe by driving carefully and slowly through the roadworks. Feedback from our workers shows that too many drivers travel at excessive speed through roadworks. Everybody is entitled to a safe workplace, and our operatives work next to moving traffic and risk injury every day.

Please remain polite and respectful to our workers whilst they are in your area. There is no excuse for abuse.

We apologise for the short notice provided for these works, this is due to the nature of the works and the road closure application process.

Updates regarding this road closure will be available via Suffolk Highways on X and on One.Network.

Please feel free to forward this information to anyone within your parish or division. If you have any questions, do not hesitate to contact us on 0345 606 6171.

Kind regards,
