

Have you ever thought about fostering in Suffolk?

Across Suffolk, hundreds of children and young people need safe, nurturing homes where they can grow, thrive and feel secure. At the end of March 2024, there were 930 children in care in Suffolk, a number that has steadily increased over recent years, reflecting real and pressing need in our communities.

These children come into care for many reasons — from family breakdown, neglect, or abuse, to situations where their birth families can no longer provide the support they need. For many, foster carers are the lifeline that offers stability, encouragement and a sense of belonging at a time when they need it most.

Yet there simply aren't enough foster carers. There is a need for foster carers to support children of all ages, especially sibling groups, teenagers and parent and child arrangements. Nexus Fostering provides full training and dedicated support to help carers succeed in helping create positive outcomes.

Becoming a foster carer isn't about having a perfect background — it's about offering patience, compassion, and a safe home. Carers can be single, rent their home, and you don't have to of had your own children before, what matters most is a commitment to making a positive impact on a child's life.

If you've ever thought about fostering, now is the time to act. Every child deserves a home where they can feel valued, supported and safe and you could be the person who helps them get there.
